Austin Events 2016 Calendar

Updates for Awesome People Like You!

Dear My Favorite Person,

If you haven't bought your 2016 calendar - better do it soon. Some stores have stopped selling them for the year or are sold out!

You can [see the stores list here](#), but I can't guarantee they will have the calendar still, so I suggest calling ahead.

If that's not your thing and you only use your phone for surfing the Internet, you can find them at [Amazon](#). (It even qualifies for Prime!)

I'm sure you already bought yours though, right?

So here's some event updates for you!

Thanks!
Mike

JANUARY 2016 - WALL CALENDAR UPDATES

Well hmmm. We don't have any updates for January. Looks like nothing has changed on us since publishing. Here's a couple other things you can look forward to though!

Every Thursday, head over to the New Movement Theater for [Improv Zero](#), a free 30-minute class that let's you dip your toe into the improv waters.

FEBRUARY 2016 - WALL CALENDAR UPDATES

The [Mighty Texas Dog Walk](#) is marked on the calendar grid for Feb. 20, but it will actually take place on March 5.

The [Austin Blind Cafe](#) creates an unforgettable dining and musical experience in complete darkness. Audience members will dine on a vegetarian meal while enjoying the sounds of Rosh & the Blind Cafe Orchestra, Feb. 2-4.

Make your way to the Cedar Park Center on Feb. 5 for a night of true nostalgia. [I Love the 90s](#) features musical acts from that special decade.

IN CASE YOU DON'T HAVE IT YET...

AMAZING PHOTOS!

This year we sourced photos from many different Austin photographers, resulting in what is probably our best, most fun and most attractive wall calendar ever!

MORE ROOM TO WRITE!

We've expanded the grid this year and replaced the big, bold event bars with thin lines. We also changed the font.

All of this results in more space to write in your personal events and activities, doctors appointments and cat doodles!

But don't worry - we don't have fewer events. We actually have more than ever!

SPECIAL THANKS

The Austin Chronicle has helped me out a lot with the calendar over the years in different ways (not the least of which is allowing their staff to moonlight to work on the calendar).

They are a fantastic source of events and do a great job of being thorough.

If you don't pick one up regularly to find out what's going on, you can [see it all online here](#).

This is the end of the email. You're gonna have to go surf the news [or something](#) now.
