Updates for Awesome People Like You!

Dear My Favorite Subscriber,

I hope you are well and have been debating which of the many experimental events I have created just for you that you will attend.

Will I see you at "Who's Your Height?" or perhaps the "Coozie Turn-In Program" or "Turkey Volcano"? I hope so.

All 15 of the events I have created are real. And just for you.

"But what about those other people who show up?" you might be thinking.

Not that I could even begin to comprehend what your enormously complex and superior mind is thinking.

But if I could (which I can't) and it was that thought (which it couldn't be, given your unwavering self confidence) then I have to let you know this:

It's necessary for me to tell everyone who shows up that they

are my favorite subscriber.

Because some people can't handle the truth.

The truth is that you and you alone are my favorite subscriber.

I'm sure I can trust your magnanimous and humble awesomeness to not let anyone else know the this truth.

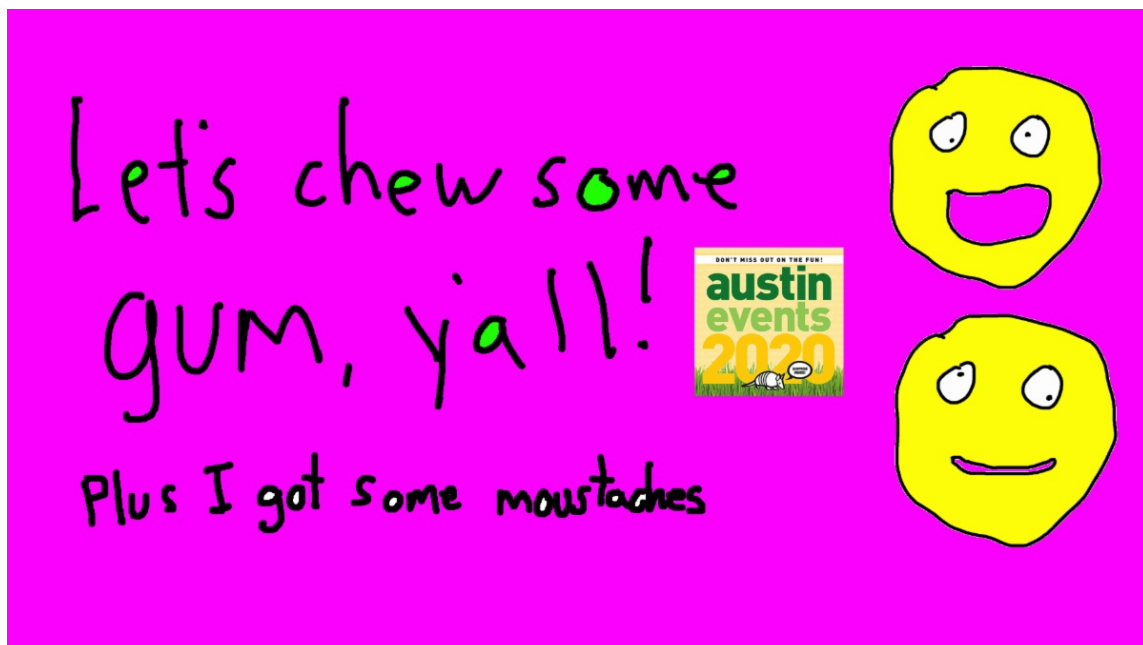

And if you show up to this next amazing event, "[Let's Chew Some Gum, Y'all](#)" then you and I can both enjoy this knowledge silently as we allow others to maintain their self-esteem.

The next event in the Austin Events 2020 wall calendar promotional event series is:

[Let's Chew Some Gum, Y'all!](#)
