## Austin Events 2015 Calendar Updates for Awesome People Like You

January-February  
2015 Updates

### In This Email:

- Bucket, let's do it!
- January updates
- February updates
- More words and stuff after the updates

Dear very attractive subscriber,

Happy New Year!

I'm sure being the super-intelligent and highly productive person you are, you've already completed all your New Year's resolutions.

So here's an idea for you: Our Bucket List.

Have you seen our new Bucket List?

It's a new pullout in this year's calendar. It has suggestions of things to do each month and lets you fill in what your bucket list items are each month.

Then you hang it on your fridge or cubicle wall or door or wherever, and you'll see a reminder every day!

It's a great way to commit to those things that you've always wanted to do but never get around to doing.

And it's a FREE bonus inside the calendar this year.

Get them **while they last!** Some stores are already sold out for the year.

Here's your calendar updates for January and February!
