

## Austin Events 2019 Calendar

*Updates for Awesome People Like You!*

---

### Dear My Favorite Subscriber,

The [Austin Events 2019 Calendar](#) is slowly disappearing from stores.

If you haven't purchased one but should, I recommend you pick one up at the 80+ [local stores or Amazon](#) very soon.

If you haven't purchased one but aren't sure you should, I'll help you with that and say yes you should. Of course that's just my completely, 100% unbiased opinion. Which you should clearly trust because I've been making this calendar for 13 years.

Doubt me? Try this thought experiment:

Picture, in your head, a pretty boring or bad time you had in the past that was just blah, yuck, ugh, meh, etc.

Really remember how awful it was and how clueless and disconnected you were.

That's what it is like before you get an Austin Events 2019 wall calendar.

OK. Now imagine the best thing ever that has happened to you or maybe the time you won a couple hundred million from Powerball.

That's pretty much what your life is like after you buy an Austin Events 2019 wall calendar.

In my opinion, at least. Your results may vary, but why take chances?

If you have purchased one - THANK YOU. You really are as awesome as everyone keeps saying, and wow it's going to be a great year!

You are the best!

Mike
