

You, my favorite subscriber, have the ability to shape and form and direct and steer and guide the calendar into 2022.

My small team and I would love to know more about what you like about the calendar and what you'd like to see more of.

It's a small survey. But it's a pretty big deal to us.

And YOU are a really big deal to us.

Please tell me what you like and what you want here!

Thank you for helping to make the Austin Events 2022 even better!
