Updates For Awesome People Like You!

Dear My Favorite Subscriber,

I know I say this all the time, but you truly are my favorite subscriber.

You might think, oh, what about the other subscribers?

Great question. (Of course it is, coming from you).

The truth is this: There are no other subscribers. Every time someone else signs up for the newsletter, I delete them immediately.

So that I can focus exclusively on you.

I know that sounds like a terrible way to run a newsletter, especially one that I actively promote and ask people to sign up for, but not everything in life makes sense, right?

Of course, I'm just speaking for myself, because given your astronomically high intelligence, all of life makes sense to you.

Including the way I run this one-subscriber newsletter.

I won't ask you to explain it to me. I'm sure the reasons for why I do things are way above my head, so I won't waste your time trying to explain myself to me.

You have more important things to do.

Like enjoying summer with ideas suggested to you in the [Austin Events 2022 Wall Calendar](#).

Now that I've finally gotten to the point, here are your Austin Events 2022 Wall Calendar updates for July and August!

Thank you for the support of my local business.

PS: IThe giveaway in the last newsletter between [The Lite + Brite Newsletter](#) and [The Eureka Room](#) was pretty popular so I might be trying something like that again in the future.
