Updates for Awesome People Like You!

Dear My Favorite Subscriber,

I have removed all other people from this newsletter so that I can write to you personally.

That might seem a bit unnecessary.

But since you are my #1 **favorite** subscriber I figured why not just make you the **only** subscriber as well?

Because I want to thank you personally for your support of the Austin Events wall calendar I make.

Thank you! A million times thank you!

We're coming up on our 11th year.

And we couldn't have done it without your support, good looks, intelligence and charm.

Seriously. No joking.

I would explain how all your top-notch qualities contribute to our success but since you're so smart I see no reason to dumb it down like that.

You know in your heart what is true.

That is why you are my favorite subscriber.

Here are your wall calendar updates for July and August!

Thanks!
Mike
