Updates for Awesome People Like You!

Dear My Favorite Subscriber,

How's your summer bucket list coming along? Mine is pretty short this summer: 1) feel really hot, 2) go swimming, 3) envy the extravagant, amazing life of my favorite subscriber (you).

Number one has been accomplished a few dozen times over. Number 2, not as many but still good. Number 3, well, that never stops!

I imagine you sitting at the side of some swimming hole, two drinks in each hand, relaxing as your endless stream of admirers provides you with towering baskets of tacos and BBQ.

You tell them they can stop because that your epicurean desires are satiated.

But they are so mesmerized by your good looks and perfect tan that they can't process this act of benevolence.

The food continues to pile up around you, the scent attracting all sorts of insects and rodents, who instead of trying to score some snackage for themselves, sing songs to you about your well-formed brow line and far-above-average coordination.

You are truly having the sort of magical, outdoorsy summer that we all wish we could enjoy!

Should you find yourself in need of updates for July and August in your Austin Events 2018 calendar, they are below!

You are the best!
Mike
