Austin Events 2017 Calendar

Updates for Awesome People Like You!

Dear My Favorite Subscriber,

What have you been up to this year? Seems like we haven't talked in like two months!

No doubt your legions of fans has been keeping you busy with giving autographs.

And modestly denying their completely accurate observations of your incredible good looks.

Or perhaps being the favorite subscriber of every newsletter in existence has you buried under an impossible pile of emails.

But of course not that.

Because nothing is impossible for you, My Favorite Subscriber.

I wouldn't even be surprised if you had already made it through your 2017 Austin Events Bucket List.

(Which you got as a bonus in the [Austin Events 2017 wall calendar](#).)

You may very well have already gone to SXSW and the ACL Festival and had a wonderful totally-cooked-from-scratch (with your eyes shut) Thanksgiving dinner.

Mmmmm! You are a such a good cook!

You are a true Austin hero. And I am glad to have you as My Favorite Subscriber.

While I know you have pretty much done and attended everything in the calendar that's going to happen this year, I do have a few updates for March and April that you might want to pass along to your well-intended but not-as-accomplished friends.

Here are your March and April updates!

You are the best!
Mike
