Austin Events Wall Calendar

Updates For Awesome People Like You!

Dear My Favorite Subscriber,

I've been spending a lot of time here at the calendar factory (aka my house) thinking about how awesome you are.

As you can surely guess, this can take a lot of time given how awesome you are.

In fact, your awesomeness has been such an overwhelming focus that it appears I forgot to write a new bi-monthly newsletter for you in January.

As your rock-solid memory will certainly recall, I haven't had a miss like that in the 16 years of writing to you, my favorite subscriber.

Luckily for me, you are also one of the most gracious and forgiving of people.

Just kidding! You are THE most gracious and forgiving of people.

Given your vast understanding of human nature and its often mediocre attempts at humor, you probably saw that joke coming.

Anyways!

Thank you for overlooking this rare miss on my part.

You are not just my favorite and only subscriber, you are the best subscriber that any newsletter writer and calendar maker could hope for.

Thank you for being your awesome self.

Here's your Austin Events 2022 Wall Calendar updates for March and April!

Thank you for the support of my local business.
