Updates for Awesome People Like You!

Dear best person in the universe,

Good to see you again.

While I don't have the time to write everyone on the email list, I always make sure to write the person who counts the most - you.

Because our relationship has lasted for as long as ever since that day we first started it.

And I've been grateful, and you've been awesome.

Thanks for being there, signing up and maybe even buying a calendar.

Thanks also for the great review on [Amazon](#). Yowza - all 5 stars!

But you are the true star. The real star.

The only star in the universe that matters.

Except the one that keeps us all alive on Earth.

But you're smart, so you know what I'm saying.

And speaking of being a star - I would love YOUR input on what kinds of photos we should have next year!!

See the link to our short survey below!

And beneath that, your March and April event updates!

Thanks!
Mike
