Austin Events 2015 Calendar Updates for Awesome People Like You

May-June
2015 Updates

In This Email:

- You're that time of year.
- May updates
- June updates
- Same old marketing stuff.

Dear My Favorite Subscriber,

This is the point where other newsletters start talking about spring. Or the weather. Or the spring weather.

Or something being right around the corner

Or something else coming to an end.

But as you are a longtime subscriber, you know that's not how we do it around here.

Because this newsletter is about YOU, we're going to talk about YOU.

So how about that you? You're looking really nice out there. You are really nice out there!

Can't believe you are just around the corner!

Can't believe you are almost coming to an end!

Whoa. Scratch that last part.

What I mean to say is you are AWESOME, and that will NEVER come to an end.

And wow I'm glad for that.

Because if we're only going to have one subscriber to this newsletter, I'm glad it's awesome you.

Here's your calendar updates for May and June.

PS: There's also a calendar for [Portland](#) and [Houston](#).

OLD NEWS

We've (still) got a video on the website of me showing people how a calendar works. I paid a lot for this, so expect to see it for eternity. [Check it on out the sample page](#). (To make it bigger, click on the little YouTube icon in the bottom right.)

Thanks to [Moth to Flame](#), who I worked with on this project.
