

## Austin Events 2017 Calendar

*Updates for Awesome People Like You!*

---

### Dear My Favorite Subscriber,

I was just thinking about how awesome you are. So I decided to write you an email.

Here's an email not just to tell you about the updates to your [Austin Events 2017 wall calendar](#), but to also let you know that many of these events wouldn't happen without you.

Yes. You might find that a surprising revelation. But I'm being as serious as I ever am in my very serious writings to you.

Think about it.

Think. About. It.

Why would anyone hold an event of any kind unless they were hoping you'd show up?

Exactly. They wouldn't! Ridiculous! Purposeless!

All of the music and running and hot sauce and puns and whatnot would just be wasted on those other people (and they only attend in the hope of seeing you there).

Because only you know how to appreciate a good Austin event. And really, there ain't no party like a my-favorite-subscriber party.

As I'm sure your massive intellect, powers of deduction, and literate capabilities have gathered from the [Austin Events 2017 wall calendar](#) that you bought, there's a lot going on this spring.

And you are going to be really busy providing all these many events their justification for existence. I wish you luck in that. But who needs luck when you've got everything else, right?

Here are your wall calendar updates for May and June.

You are the best!  
Mike
