## Austin Events Wall Calendar

Updates For Awesome People Like You!

---

### Dear My Favorite Subscriber,

Here at the calendar factory we spend at least 110% of our time thinking just about you.

I realize on the surface that seems both creepy and mathematically impossible, but let me explain.

We are not thinking about you, per se, but thinking about how we might better serve your needs and make a better Austin Events Wall Calendar for you.

Of course, since you have excellent skills of procurement in all facets of life and therefore have no needs, we do not actually spend any time focusing on your non-existent needs. (Well, other than the time it took to make that realization, I suppose).

Therefore, our time is spent focusing on how to make a better Austin Events Wall Calendar for you.

So, as you can see (because of your profound insight), it's really not creepy. But maybe perhaps a little obsessed.

To that end, if you have ideas of things you would like to see included in the calendar—events, activities, photos, or lucky barcodes—please reply to this email and let me know!

Thank you for being your awesome self.

Here are your Austin Events 2022 Wall Calendar updates for May and June!

Thank you for the support of my local business.

PS: If your friends are looking for copies of our wall calendar they can find them [at these locations](#). (But make sure they call first to verify they haven't sold out.)

### Contest + Awesome Other Newsletter!

A few years ago, while hosting an Austin Events Wall Calendar promotional event called [The Austin Stationary 5K](#), I met a couple of fun people named Leila and Brian who run a great Austin events newsletter filled with all kinds of weird, unique, and interesting stuff to do.

Here's their description:

*"In the newsletter we do not list normal concerts, normal movie showtimes, normal happy hours, normal trivia nights, etc. We do list art parties, pig beauty pageants, site-specific performances, miniature parades, events with words like "menagerie" in the title, Harry Potter parodies, anything referencing Kate Bush, etc. If these sound like the sort of events you want to know about, you should subscribe."*

If this sounds like your kind of thing, it really is a great weekly Austin newsletter.

**And... if you subscribe to their newsletter right now you enter to WIN 2 TICKETS to [The Eureka Room](#)!**

The Eureka Room is Austin's Most Amazing Boutique Immersive Experience Room. (Also, I made it.)

If you are a fan of places like [Meow Wolf](#), [Hopscotch](#), [Wonder Spaces](#), and [other "immersive" experiences](#), then I think you'll like this charming absurdity that I've created.

Signing up for the Awesome Lite + Brite newsletter (and the contest!) is easy. Just click the button below to do both at the same time.
