Hello my favorite subscriber!

This fall marks our 10th Austin Events Wall Calendar release!

Thank you for your support over the last 10 years. It means a lot to me and the others on the team at Big Weekend Calendars to have the support of an attractive and intelligent person like yourself.

If we were going to have just one subscriber (and we do), then I'm glad it's someone as awesome as you.

And just for awesome people like you, we are going to put on an event in a couple weeks to celebrate!

Details will be out in a week or so. And there will be prizes and fun and food and lots of calendars!

And this time hopefully no one will call the police!

Here's your November and December updates!

Mike Stefanik
Creator, Big Weekend Calendars

PS: Since everyone is always talking about how generous you are, I'd like to point out that we are soliciting for prizes in exchange for some promotion. Contact me if you are interested!
