Austin Events 2016 Calendar

Updates for Awesome People Like You!

Dear My Favorite Subscriber,

We will be sending the "Austin Events 2017" calendars out to stores in the next couple weeks.

I know that you have a busy and amazing life.

In order that you may more easily obtain your copy in a way that fits your incredibly fascinating and vigorous lifestyle, I will be strategically placing them in stores all around town. Just for you, of course.

So, I am also compelled by your excessive attractiveness and giving nature to ask a favor.

If you and your good looks could maybe just stand next to the calendar display a little extra long that would be great. I think that could really help sales.

Once all the other customers in the store see the that most intelligent and attractive person in the building is purchasing an "Austin Events 2017" wall calendar, they will feel nothing but compelled to do the same.

Maybe just linger for an hour or two? Super easy, right?

Like I said earlier, I know you have a busy life. So if you can only do one hour, that's fine. Maybe you can come back at some later date. (After I refill the display you helped empty, of course.)

Thank you for all your support over the last 11 years!

Here are your wall calendar updates for November and December!

Thanks!
Mike
