

Austin Events 2018 Calendar

Updates for Awesome People Like You!

Dear My Favorite Subscriber,

The [Austin Events 2019 Calendar](#) is rolling out to stores.

But let's not talk about that. Let's talk about you, my favorite subscriber.

Because without you, no one would ever go to these events. Since obviously they are only going to them in hopes of seeing you there.

Of course, I suppose if you had a calendar then you'd know where your fans are going to be going in hopes of seeing you. Which you might find helpful.

Not that you need any help. Your confident self-sufficiency is nothing short of complete and eternal.

In fact, it affords you plenty of free time to go to these events. And to support small, local businesses that make wall calendars and write emails of questionable logic and value.

What I'm saying is, my team and I appreciate your highly generous and supporting nature.

Thank you.

I'll be sending a more formal announcement of the Austin Events Calendar, but you can [see it here now](#).

Until then, here are your updates for November and December!

You are the best!
Mike
