Austin Events 2019 Calendar

Updates for Awesome People Like You!

Dear My Favorite Subscriber,

As you know, I'm spending my whole marketing budget this year on you.

Just for you, I'll be holding experimental, low-budget, secret not-published-in-the-wall-calendar events.

And they will start very soon.

The Marketing Team is very excited.

We won't even have calendars for sale yet, but I'm going to go ahead and start these events in just a few weeks.

For now, you can pencil in the 20th, time TBD but sometime in the morning.

For about 30 minutes.

I did mention they are low budget, right?

I'm sure with your great self-control and composure you will be able to contain yourself until then.

Just a reminder that these promotional events are real **low-budget** and **experimental**.

But on the plus side, they are FREE and not life-threatening.

I know that you, My Favorite Subscriber, really enjoy being thrifty and alive, so I'm pretty sure these marketing events I'm doing will be for fantastic people like you.

Not that there's anyone like you, of course.

What I mean to say is: These events are for you and people who are kind of close to being like you (but not really that close because you are way more fantastic).

And I'm pretty sure you have never been to anything like them before.

At any rate, I hope you look forward to the announcement on September 15th.

Here are your Austin Events wall calendar updates for September!

You are the best!

Mike
