Dear My Favorite Subscriber,

Festival season (fall edition) is upon us. The weather has cooled down to a comfortable 95 degrees, and people are bundling up!

Soon we will all be holed up in our homes waiting out the long, insufferable mid-60s winter dealt to us by the gods of Austin weather.

So take advantage of your Austin Events Calendar before it is too late. There's some great stuff on it.

We've got a few updates for you in this email that I hope will help!

Happy September and October!
Mike
